

# M.D. STETSON

## HARMONY CLEANER

A multi-purpose and multi-surface, one-step cleaner. For use in medical facilities, nursing homes, office buildings, educational institutions, schools, athletic complexes and all commercial and municipal buildings.

Use for general cleaning on all washable surfaces such as walls, floors, counters, appliances, and equipment and will not affect floor finish. Leaves a fresh lavender scent and your surfaces sparkling clean. No rinsing required. Harmony contains no hazardous ingredients.

### DIRECTIONS FOR USE:

**For general cleaning:** use 1 – 2 oz. Harmony Cleaner per gal. of cold water. Spray on surface, let dwell and wipe clean with a cloth or paper towel. No rinse is necessary.

**For heavy duty cleaning:** use 2 – 4 oz. Harmony Cleaner per gal. of cold water.

**For damp mopping light soil:** use 1/2 – 1 oz. Harmony Cleaner per gal. of cold water. No rinse is required.

**For damp mopping normal to heavy soil:** use 1 – 2 oz. Harmony Cleaner per gal. of cold water. No rinse required.

**For deep scrubbing floors finished with floor finishes with an autoscubber:** use 1 oz. Harmony Cleaner per gal. of cold water. Apply the solution without the vacuum system and the squeegee in the up position. Double scrub the area then vacuum up the solution. Rinse floor with Winterclean before applying floor finish.

### Recommended personal protection:

Protective gloves and eyewear are recommended but not required when used as directed.

The consequences of improper use or improper dilution are residue buildup or reduced effectiveness, as well as an increased risk of adverse health effects.

### SPECIFICATIONS:

pH as supplied .....	6.5-7.5
Specific gravity .....	0.99-1.01
Color .....	violet
Odor .....	lavender
Freeze stability .....	not applicable
Storage stability .....	not applicable
Boiling Point.....	Ca 212°F
Solubility in Water.....	Complete
Evaporation Rate.....	Similar to Water

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

Recycling container recommended. Dispose of unused concentrate in accordance with local, state, and federal regulations.

### PACKAGING:

Available in 1 gallon containers and 5 gallon pails.
