SECTION 1: Identific	ation									
Product Name Maintai	iner Plus				Item Code	e M	IAPLUS1, MAPLUS5			
Recommended Use	A mop-on	n cleaner a	and conditioner cond	d conditioner concentrate for use prior to high-speed buffing.						
	Next-Gen		roup	Emergency	Telephone)				
Supplier 11 Norfo Mansfiel 877-452		l, MA 020	48	INFOTRAC: 1-800-535-5053						
SECTION 2: Hazard	s) identi	fication	ı							
Warning		Hazards not otherwise classified or not covered by GHS								
No			None							
Hazard Statement			Hazard	Class (GHS C	Chapter)		Hazard Category			
Causes skin and eye irritat	ion		Skin irritant (3.2) and serious eye irritant (3.3)			.3)	2(skin)/2B(eye)			
Precautionary Statemen	t									
If on skin wash with plenty Remove contaminated clot If in eyes, rinse carefully w If eye irritation persists, se	hing and wa ith water fo ek medical	ash befor or several attention	e reuse. minutes. Remove co	ntact lenses if	easy to do.	Continue r	insing.			
SECTION 3: Compos	SILION/IIII		•							
Chemical identity		Co	ommon name, syn	onyms, etc.		CAS #	%			
Nonionic Surfact Blend					Р	roprietary	y 1-3			
SECTION 4: First Ai	d Measu	res								
lf r	nedical ad	lvice is n	eeded, have produ	uct container	or label at	hand.				
	IF SWALL	LOWED: H	Iarmful if swallowed	. Rinse mouth.	Call 911 or	emergenc	cy medical service.			
Necessary measures			ve contaminated clot water or shower. If i							
for routes of exposure	IF INHALED: Remove person to fresh air and keep comfortable for breathing.									
	IF IN EYES: Rinse carefully with water for several minutes. Remove contact lenses if easy to do. Continue rinsing.									

Г

SECTION 4: First Aid N	leasi	ures (co	ont	inued)	
Most important symptoms/ acute and delayed.	effect	8,	Acute exposure may cause drowsiness, nausea, breathing difficulty, skin irritation or serious eye irritation.		
Immediate medical attention and special treatment, if necessary		Move victim to fresh air. Immediately call 911 or a medical professional.			
SECTION 5: Fire-fightin	ng Mo	easures	;		
Suitable extinguishing med	ia.			Dry chemical, CO ₂ , alcohol resistant foam or water spray	
Specific hazards arising from the chemica		al None			
Special protective equipment and precautions for fire-fighters.			Wear positive pressure, self-contained breathing apparatus (SCBA). Wear chemical protective clothing specifically recommended by the manufacturer. May provide little or no thermal protection.		
Emergency Response Guide Number			Not available		
SECTION 6: Accidenta	l Rele	ease Me	eas	sures	
Personal precautions, prote ment and emergency proce			Chemically protective gloves, clothing and safety eyewear are recommended.		
Environmental precautions	•		Prevent entry into waterways, sewers, basements or confined areas. Collect spillage.		
Methods and materials for each and cleaning up.	contai	nment	Stop leak if can be done without risk. Prevent entry into waterways, sewers, basements or confined areas. Absorb or cover with non-combustible absorbent material and transfer to containers. Collect spillage. Contact a licensed professional waste disposal service to dispose of this material.		
SECTION 7: Handling a	and S	torage			
Precautions for safe handli	ng.	hands th	oro	drink or smoke in areas where this material is used. After handling, wash oughly with soap and water. Nitrile gloves and protective eyewear is ded. Use only with adequate ventilation/personal protection.	
including any incompatibilities		ntainers in a cool, dry, ventilated area away from sources of ignition and tible materials. Keep containers tightly closed and properly labeled. Store in containers.			
SECTION 8: Exposure	Cont	rols/Pe	rso	onal Protection	
Control parameters				ance with good industrial hygiene and safety practice. Wash hands before he workday. Avoid skin and eye contact with this product.	
Appropriate engineering controls				tilation. Respiratory equipment is not required. For nuisance exposures US) respiratory cartridges. Wear tightly fitted safety goggles or face shield.	
controlsuse type OV/AG (US) respiratory cartridges. Wear tightly fitted safety gogglesIndividual protection measuresLong term exposure could irritate skin and eyes. Nitrile gloves must be inspective.

SECTION 13: Disposal Considerations

Dispose of contents/container in accordance with local/state/federal and international regulations. Collect spillage. Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material. Dispose of contaminated packing as unused product.

SECTION 14: Transport Information

Not US DOT classified for ground transport

SECTION 15: Regulatory Information

No chemicals in this mixture are subject to the reporting requirements of SARA Title III, Section 302 No chemicals in this mixture are subject to the reporting requirements of SARA Title III, Section 311/312. No chemicals in this mixture are subject to the reporting requirements SARA Title III, Section 313.

California Prop. 65: This product does not contain any chemical known to State of California to cause cancer, birth defects, or any other reproductive harm.

Green Certification Statement: This product meets Green Seal[™] Standard GS-53 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

SECTION 16: Other Information

DISCLAIMER: Whereas the use and handling of this product is not within the control of Next-Gen Supply Group, it is the responsibility of the user to determine the suitability of the product for its intended application. The user assumes all risk and liability for the safe use of the product, utilizing the information provided in this document as a guide. Next-Gen Supply Group accepts no liability for damages or loss incurred from the misuse and mishandling of this product.
