

PRODUCT DATA SHEET

ENVIRONMENTALLY PREFERABLE STRIPPER

EPS™ (Environmentally Preferable Stripper) is a low odor, floor stripper concentrate, designed as part of our environmentally responsible floor care program. EPS is formulated to penetrate and easily remove zinc-free and conventional floor finishes. EPS contains no harsh butyl, phosphate, caustic-based materials, and is non-corrosive as per Department of Transportation standards.

DIRECTIONS FOR USE:

Use with tap water cold side only.

Floor Finish Stripping

1. Clear area of obstacles then dust mop.
2. Remove gum and debris with scraper.
3. Mix 1 gallon of EPS™ to 5-10 gallons of cold water.
 - 1 GAL:10 GAL for 1-4 layers of finish
 - 1 GAL:5 GAL for 4-6 layers of finish
 - 1 GAL:3 GAL for 7+ layers of finish
4. Spread diluted stripper solution liberally over the baseboards and edges surface with a mop or applicator. Allow stripper application to soak for 10 minutes. Do not allow solution to dry.
5. Scrub all baseboards and edges using an edge stripping tool such as a 3M Doodlebug equipped with a strip pad.
6. Spread diluted stripper solution liberally over a workable floor surface with a mop or applicator. Allow stripper application to soak for 10 minutes. Do not allow solution residue to dry on the floor.
7. Evenly scrub the floor in both directions with a floor machine equipped with a stripping pad. Pick up loosened finish with a wet vac or autoscrubber.
8. Thoroughly rinse and final rinse the floor with Winterclean™.
9. Allow floor to dry completely, before applying a Stetson floor finish.

SPECIFICATIONS:

Density	8.4 lbs./gal.
pH at concentrate.....	10.2-10.8
pH at use dilution.....	8.8-9.5
End Use Coverage	2700 sf.
Color	Clear green
Fragrance added	None
Specific Gravity.....	0.94-1.01
Boiling Point.....	Ca 212°F
VOC by weight.....	<7.8%

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

Recommended personal protection equipment:

Handle with nitrile gloves which have been inspected prior to use. Safety eyewear is required.

PACKAGING:

Available in 1 gallon jugs, 5 gallon pails, and 55 gallon drums.
