

# PRODUCT DATA SHEET

## HD-32 HEAVY DUTY DEGREASER

HD-32 Heavy Duty Degreaser is a fast-acting, environmentally preferable degreaser fortified with organic and inorganic sequestering agents, and a soil suspending agent that works on many kinds of grease soils. Phosphate-free and glycol ether EB-free. Biodegradable, non-corrosive and non-flammable.

Use with sprayers, automatic scrubbers, mop and buckets, sponges and pails. Ideal for removing hardened layers and deposits of animal fat, grease, protein substances, carbon, embedded soil and food stuff. May also be used on concrete floors, air filters, locker room and pool floors, automobiles and transit vehicles. Rust inhibited for metal cleaning but should not be used on polished aluminum, magnesium, painted wood, varnished wood or polished surfaces floor finish, plexiglass, lexan or mylar.

### DIRECTIONS FOR USE:

#### Floors:

Dilute 1-4 ounces per gallon or 1 ounce per quart. Apply with wet mop or autoscrubber.

#### Hard Surfaces:

Dilute 1-4 ounces per gallon or 1 ounce per quart. Apply with a sprayer. Wipe off with cloth or paper towels.

### Personal Protection Equipment

Protective gloves and eyewear are recommended but not required when used as directed.

Recycling container recommended. Dispose of unused concentrate in accordance with local, state, and federal regulations.

Improper use or dilution may cause damage to some surface materials, such as floor finish, plastics, wood finish, etc., as well as increase the risk of health effects.

### SPECIFICATIONS
