

PRODUCT DATA SHEET

HARMONY CLEANER

A multi-purpose and multi-surface, one-step cleaner. For use in medical facilities, nursing homes, office buildings, educational institutions, schools, athletic complexes and all commercial and municipal buildings. Use for general cleaning on all washable surfaces such as walls, floors, counters, appliances, and equipment. Harmony Cleaner will not affect floor finish. Leaves a fresh lavender scent and your surfaces sparkling clean. No rinsing required. Harmony contains no hazardous ingredients.

DIRECTIONS FOR USE:

For general cleaning: use 1 – 2 oz. Harmony Cleaner per gal. of cold water. Spray on surface, let dwell and wipe clean with a cloth or paper towel. No rinse is necessary.

For heavy duty cleaning: use 2 – 4 oz. Harmony Cleaner per gal. of cold water.

For damp mopping light soil: use ½ – 1 oz. Harmony Cleaner per gal. of cold water. No rinse is required.

For damp mopping normal to heavy soil: use 1 – 2 oz. Harmony Cleaner per gal. of cold water. No rinse required.

For deep scrubbing floors finished with floor finishes with an autoscrubber: use 1 oz. Harmony Cleaner per gal. of cold water. Apply the solution without the vacuum system and the squeegee in the up position. Double scrub the area then vacuum up the solution. Rinse floor with Winterclean 365 before applying floor finish.

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

Improper use or dilution may cause damage to some surface materials, such as floor finish, plastics, wood finish, etc., as well as increase the risk of health effects.

SPECIFICATIONS

pH as supplied.....	6.5-7.5
Specific gravity	0.99-1.01
Color	violet
Fragrance added	lavender
Freeze stability	not applicable
Storage stability	not applicable
Boiling Point	Ca 212°F
Solubility in Water	Complete
Evaporation Rate.....	Similar to Water

Recommended personal protection: Protective gloves and eyewear are recommended but not required when used as directed.

Recycling container recommended. Dispose of unused concentrate in accordance with local, state, and federal regulations.

PACKAGING

Available in 1-gallon containers (4/case) and 5 gallon pails..
