

PRODUCT DATA SHEET

OXY-D

Oxy-d combines highly efficient surfactants with one of the most powerful cleaning agents, hydrogen peroxide, and the strongest, natural solvent, d-Limonene. The result is a highly effective, non-hazardous, versatile cleaner. Use on almost any type of soil or stain, including oil, tar, gum, and marker.

Use as a carpet spot remover and pre-spray for extraction cleaning. Restores the luster to ceramic tile and completely cleans soiled grout. Safe for use on glass, mirrors, and stainless steel without streaking. Easily dissolves mold, mildew and soap scum from shower walls. Deodorizes while it cleans and leaves a fresh citrus scent. Removes garbage and smoke odors safely and effectively.

DIRECTIONS FOR USE:

For light duty cleaning, including glass:

Use 1/2 ounce per gallon of water. No rinse required.

For general cleaning, including floors and carpet extraction:

Use 1-2 ounces per gallon of water. Will not harm floor finish at this dilution. No rinse required. For carpets test an inconspicuous area for color-fastness. Do not use on wool rugs.

For carpet spotting and extraction pre-spray:

Use 1-2 ounces per gallon of water. Do not use on wool rugs.

For heavy soil, spray and wipe cleaning and routine tile and grout cleaning:

Use 5-6 ounces per gallon of water.

For extreme duty cleaning, including tile and grout renovation, heavy degreasing and odor elimination:

Use 10-12 ounces per gallon of water. Rinse required.

SPECIFICATIONS

Appearance	orange transparent liquid
Fragrance added	d-Limonene
pH	4.0 - 5.0
Weight per gallon	8.56 lbs.
Non-volatile matter	13.4%

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.

PACKAGING

Available in 1/2-gallon Tip & Measure containers (4/case) and 1-gallon containers (4/case).
