

PRODUCT DATA SHEET

STETCO OVEN CLEANER

Stetco Oven Cleaner removes baked on grease and carbon char build-up in oven interiors. Restores oven to original finish without harming porcelain. Stetco Oven Cleaner is simple to use. Specially formulated with anionic soap, detergent builders and grease dissolving solvents for fast, effective oven cleaning. This product is ready-to-use. Clings to vertical surfaces. Phosphate-free and biodegradable. Note: Do not use on aluminum surfaces.

DIRECTIONS FOR USE:

- Preheat oven to 180° F
- Wear protective clothing such as rubber gloves, apron and safety goggles.
- Turn oven off.
- Apply Stetco Oven Cleaner by spraying or by squirting and spreading with a brush or sponge. (Do not apply on electrical components, heating elements or pilot lights.)
- Close oven door and allow cleaner to remain in place for 5 minutes.
- Wipe off loosened char with a sponge, rinsing sponge frequently.
- Thoroughly, rinse food contact surfaces with potable water. (Do not allow Stetco Oven Cleaner to come in contact with food and food packaging materials. Protect or remove food and food packaging material before using Stetco Oven Cleaner.)
