

PRODUCT DATA SHEET

LATHOL LIQUID HAND SOAP

Lathol Liquid Hand Soap is a refreshing washroom soap compounded from the purest coconut castile oil base. Specially formulated with natural glycerin that acts as an emollient to relieve and prevent chapping on sensitive skin. Lathol’s lotion-like suds leaves skin feeling soft and velvety smooth. Plus, Lathol produces a heavy lather that quickly and efficiently removes soil. Lathol is sequestered for use in hard water, and is biodegradable.

DIRECTIONS FOR USE:

Wet the hands and arms with water. Apply Lathol and massage well for several minutes, then rinse to carry away all dirt and dry hands thoroughly.

Refer to the Safety Data Sheet (SDS) for detailed safety, health and environmental information.
